

NATIONAL NIGHT OUT, October 6, 2026

The GET TO KNOW YOUR NEIGHBORS SURVEY

Street

Name

Intention: This Survey is an opportunity for you to get to know others on your "Block." Knowing others in your vicinity is the best way to keep our neighborhood safe and have help when needed. You have lots of time to work on this and you are encouraged to fill them out together.

At the end of the Community event, all surveys will be submitted for a drawing. Four (4) will be drawn out randomly to receive a \$25 VISA gift card. The Surveys do not have to be completely filled out – but at least 50% should have answers to be included in the drawing. We will be scanning your Survey so we can also be a resource for next year's NNO Block Parties. We will return your scanned Survey to you so you can keep adding information to it as you get to know your neighbors!

We are defining a block as the portion of street from one intersection to the next in the case of our long streets...

1. How many homes are on your block? _____
2. What is the first name of someone within 2 houses of you? _____
3. Have you exchanged phone numbers with at least one person on your block? _____
4. Name 1 country (outside the USA) that a person on your block has immediate family members living in: _____
5. Name 1 or more languages, other than English, that are spoken on your block:

6. Name a business (and what type of business) owned by a person on your block:

7. What is the longest that a person on your block has lived in Providence? _____
8. Is there a family on your block who has kids in a public school? _____
9. Do you communicate with at least one neighbor regularly or only when seeing them out? _____

____ Are you willing to be a host next year for a Block Party on NNO (1st Tuesday of October)?

We will scan this and return it to you at: _____
Your email address
